Space for Comments:

Law enforcement grants should be preserved. CDBG funding should be preserved because of its role in job creation and economic development.

2. Prohibiting abortion except when it is necessary to prevent the death of the mother.

Space for Comments:

4. Interpreting the U.S. Constitution in light of current times, rather than adhering to the framers' original intent or text.

Support

Oppose

Undecided

Space for Comments:

The Framers' original intent and the text of the Constitution should be central to the analysis of constitutional questions.

5. Adding "sexual orientation," "gender identity," and "gender expression" to the protected classes of race, religion, age, sex, and ancestry in nondiscrimination law.

Space for Comments:

I support prohibiting discrimination on these bases, which is also prohibited under Maine law. I also support the faith-based employment exemption in the Civil Rights Act, which protects the religious hiring choices of churches and faith-based groups.

6. Requiring a health care practitioner to provide medical care to a baby born alive who survives an attempted abortion.

Support

Oppose

Space for Comments:

An exception for times of war or other crises like the pandemic is needed.

9. Overturning the Hyde Amendment which denies all Federal funding for abortion (except in case of risk to the life of the mother and pregnancies caused by rape/incest).

11. Expanding background checks to include guns purchased from private individuals.

Support

Oppose

Undecided

Space for Comments:

I oppose expansive background checks proposals, such as for family members and other private, non-commercial sales.

12. Protecting individuals and businesses from being required to provide services or use their artistic expression in a manner that violates their moral or religious beliefs.
